ECOGRES

Made of 30% recycled material
Ecogres is a special stoneware line partly developed from recycled clay. This beautiful tableware is produced with less raw material, thus giving it a 'green' touch. Black clay topped and a transparent finish give Ecogres its deep colour. The result? This elegant and top-quality dinnerware.

For lovers of food

It is said that we taste a dish with our eyes before we even take our first bite. And every true lover of food, from the Michelin-starred to the enthusiastic amateur, knows anticipation is the finest of seasonings. Our collection is designed to engage all of the senses. Rich colors and beautifully textured finishes transform every meal into a dish worth celebrating.
