

Start using Tread-TEQ.

Step 1

Order a free Fit Tool

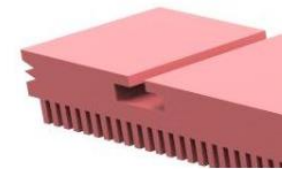

This is the Fit Tool. On top you see the V-pattern, at the bottom the W-pattern.

Left V and right W pattern.

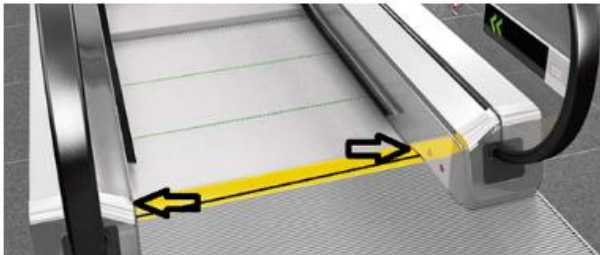

Fit Tool on escalator tread. The V-side fits so this escalator has a V-pattern.

On the side of the pad you can see what kind of pattern it is. This pad has a W-pattern.

Step 2
Choose your escalator cleaning tool.

Yellow is the width. This escalator is 100 cm (40 inch)

Tread-TEQ tool 60 cm (24 inch)

Tread-TEQ tool 80 cm (32 inch)

Tread-TEQ tool 100 cm (40 inch)
